

# Miley Cyrus, Simple Song

Wake up, here I go  
Cram it all down my throat  
Stomach so full  
That I wish I could choke

Seven a.m.  
My heads already in a spin  
As soon as Im out that door  
Bam it hits me like a ton of those red bricks

Cant dig myself out of this highest ditch  
This madness

I swear sometimes I cant tell which way is up, which way is down  
Its all up in my face  
Need to push it away  
Somebody push it away

So all that I can hear  
Is a simple song  
Sing along now  
Lalalala  
Lalala  
Lalalala  
Lalala

Midday sun beatin on the concrete  
Burnin up my feet  
Too many cars on the street  
The noise, the red, the green  
It makes me wanna scream

5 oclock knocks  
Bumper on bumper on bumper  
Horns honkin, nobodys lookin but everybodys talkin  
Its another day on this highway

I swear sometimes I cant tell which way is up, which way is down  
Its all up in my face  
Need to push it away  
Somebody push it away

Cause all I wanna hear  
Is a simple song  
Sing along now  
Lalalala  
Lalala  
Lalalala  
Lalala

Sing along now  
Sing along

What Id give  
To turn it off  
And make it stop, make it stop  
Gotta make it stop

So all that I can hear  
Is a simple song  
Sing along now  
Lalalala  
Lalala  
Lalalala

Lalala
