Miley Cyrus, The Driveway

After twelve, not so well Won't pretend it's too soon to tell What's 'round this bend No disgrace, about face Anything not to have to chase You down again

You know Nothing hurts like losing When ya know it's really gone Except for the pain of choosin To hold too long

I tried it your way
But I got nothing to show
It's been the same, same
And the story's getting old
So I guess the driveway
Will be the end of the road
For us it's too late
Let the credits start to roll

A lot to say, but not today Let the radio break the silence As we drive A kiss goodbye, not this time Don't remember what about this song I ever liked

You know Nothing hurts like losing When ya know I'm already gone Except for the pain of choosin To hold too long

I tried it your way
But I got nothing to show
It's been the same, same
And the story's getting old
So I guess the driveway
Will be the end of the road
For us it's too late
Let the credits start to roll

I thought maybe we were getting somewhere
But we're still nowhere at all
I watched your tail lights fading
I try but the tears won't fall
I remember what it feels like
To know love and have it taken away
I can't think of what I learned right now
But I'll be thanking you someday

I tried it your way
But I got nothing to show
You know, it's been the same, same
And the story's getting old
So I guess the driveway
Will be the end of the road
For us it's too late
Let the credits start to roll

Let the credits start to roll

So I guess the driveway Will be the end of the road (Be the end of the road)

Will be the end of the road (Be the end of the road)
