## Miley Cyrus, This Is The Life

Take the world Shake and stir And that's what I got goin' on I throw my cares up in the air And I don't think they're comin' down Yeah, I love how it feels right now

This is the life! Hold on tight! And this is the dream It's all I need! You never know where you'll find it And I'm gonna take my time, yeah I'm still getting it right This is the Life

Takin' in a whole new scene And I'm swimming with a new crowd (crowd) Breakin' down the old four walls And building them up from the ground I love how it feels right now

This is the life! (life!) Hold on tight! (hold on, hold on!) And this is the dream! (dream!) It's all I need! (hold on!) You never know where you'll find it And I'm gonna take my time yeah. And I'm still getting it right This is the life

Gonna follow my own lead, yeah! Kick back and feel the breeze! Nothing but the blue sky! As far as I can see!

This is the life Hold on tight! And this is the dream! It's all I need! You never know where you'll find it And I'm gonna take my time, yeah I'm still getting it right

This is the life! (life! Yeah!) Hold on tight! (hold on, hold on!) And this is the dream! (dream!) It's all I need! (hold on!) You never know where you'll find it And I'm gonna take my time yeah I'm still getting it right This is the Life
