

Miley Cyrus, Unholy

i am a little drunk, i know it
I;ma get high as hell
I;m a little bit unholy
so what?
so is everyone else

i am a little drunk, i know it
I;ma get high as hell
I;m a little bit unholy
so what?
so is everyone else

wake up in the middle of a breakdown
have sex on the table with the takrout
I am sick of faking
the using
the taking

the people calling me obscene
you hate me
you love me
you just wanna touch me
I;m only trying to get some peace
so let me do me

i am a little drunk, i know it
I;ma get high as hell
I;m a little bit unholy
so what?
so is everyone else

i am a little drunk, i know it
I;ma get high as hell
I;m a little bit unholy
so what?
so is everyone else

so what?
so is everyone else
so what?
so is everyone else

i am a little drunk, i know it
I;ma get high as hell
I;m a little bit unholy
so what?
so is everyone else

i am a little drunk, i know it
I;ma get high as hell
I;m a little bit unholy
so what?
so is everyone else
