i am a little drunk, i know it  
I;ma get high as hell  
I;m a little bit unholy  
so what?  
so is everyone else

i am a little drunk, i know it  
I;ma get high as hell  
I;m a little bit unholy  
so what?  
so is everyone else

wake up in the middle of a breakdown  
have sex on the table with the takrout  
I am sick of faking  
the using  
the taking

the people calling me obscene  
you hate me  
you love me  
you just wanna touch me  
I;m only trying to get some peace  
so let me do me

i am a little drunk, i know it  
I;ma get high as hell  
I;m a little bit unholy  
so what?  
so is everyone else

i am a little drunk, i know it  
I;ma get high as hell  
I;m a little bit unholy  
so what?  
so is everyone else

so what?  
so is everyone else  
so what?  
so is everyone else

i am a little drunk, i know it  
I;ma get high as hell  
I;m a little bit unholy  
so what?  
so is everyone else

i am a little drunk, i know it
