

# Miley Cyrus, We Got The Party (Remix)

Come on, guys  
Tell me what we're doing  
We're hanging 'round when we could be all over the place  
The sun is shining just the way we like it  
Let's get outta this hallway  
Show the world our face

It's Friday but there's nowhere to go  
Anywhere is cool but we're not going home  
And we can do anything we wanna do  
It's all up to me and you

Turn this park into a club  
The stars are lights and the moon is a vibe from above  
Skateboard here's our ride  
So pull on up, everyone is waiting for us

Anywhere we are, anywhere we go  
Everybody knows  
We got the party with us!

Anywhere we are, anywhere we go  
Everybody knows  
We got the party with us!  
We got the party with us!  
We got the party with us!

Radio, let me be a DJ  
I'll turn you up, keep us moving 'til we're on a roll  
Everyone is dancing to their own beat  
And letting go, everybody here's got a soul

It's Friday and there's nowhere to be  
We're kicking it together, it's so good to be free  
We got each other and that's all we need  
The rest is up to you and me

Turn this park into a club  
The stars are lights and the moon is a vibe from above  
Skateboard here's our ride  
So pull on up, everyone is waiting for us

Anywhere we are, anywhere we go  
Everybody knows  
We got the party with us!

Anywhere we are, anywhere we go  
Everybody knows  
We got the party with us!  
We got the party with us!  
Woo!  
We got the party, we got the party!

Life is for dreamers  
And I'm a believer  
That nothing can stand in our way today  
Let's find a place to play  
Yeah!

Turn this park into a club  
The stars are lights and the moon is a vibe from above  
Skateboard here's our ride  
So pull on up, everyone is waiting for us

Anywhere we are, anywhere we go  
Everybody knows  
We got the party with us!

Anywhere we are, anywhere we go  
Everybody knows  
We got the party with us!

Turn this park into a club  
The stars are lights and the moon is a vibe from above  
Skateboard here's our ride  
So pull on up, everyone is waiting for us

Anywhere we are, anywhere we go  
Everybody knows  
We got the party with us!

Anywhere we are, anywhere we go  
Everybody knows  
We got the party, we got the party!  
We got the party, we got the party with us!  
We got the part with us!
