

Miley Cyrus, We Got The Party (Rock Star Edition)

"Miley"

C'mon guys, tell me what we're doin',
We're hangin' around when we could be all over the place,

"Joe Jonas"

The sun is shinin' just the way we like it,
Let's get outta this hallway show the world our face,

"Miley"

It's Friday, but there's no where to go,
Anywhere is cool, but we're not goin' home,

"Nick Jonas"

We can do anything we wanna do,
It's all up to me and you.

"Miley, Joe, Nick, and Kevin"

Turn this park into a club,
The stars are lights,
And the moon is a vibe from above,
Skateboards here's all right so pull on up,
Everyone is waiting for us,
Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,
Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,

"Miley"

We got the party with us
We got the party with us

"Joe"

I'll turn you up keep us movin' till we're on a role,

"Miley"

Everyone is dancin' to their own beat,
So let go everybody here's got a soul,

"Nick"

It's Friday, and there's nowhere to be,
We're kickin' it together it's so good to be free,
We got each other and that's all we need,
The rest is up to you and me,
