

Miley Cyrus, Week Without You

if I spent a week without you
bet you'd wonder what I do
I think that I'd start going out
get caught kissing other dudes

and it seems you just wanna bring me down, down
with your bad attitude
when you know I'm not one to
keep dealing with the shit
that you put me through

I know that I gave you my heart
but you stomped it to the ground
and that's what got me wondering what it's like
to not have you around

if I spent a week without you
I'd probably have so much fun
first thigh first I'd gather up all my girls
so we can lay out in the sun

it would be so nice not to worry
how I'd love not ot stress
I'd go and grab my old blouse jeans
I'm sick of wearing this silly dress

I know that I gave you my heart
but you stomped it to the ground
and that's what got me wondering what it's like
to not have you around

you know I'd miss you, baby
feels like I've known you since I was 7 years old
you used you make me smile
but now you don't do that anymore

it feels like I'm always just cr7ying and sleeping alone
bur when I think of you gone I know

I know that I gave you my heart
but you stomped it to the ground
and that's what got me wondering what it's like
to not have you around

to not have you around
to not have you around
to not have you around
to not have you around

you know I'd miss you, baby
you know I'd miss you, baby
you know I'd miss you,
