

Miley Cyrus, Who Said

I'm more than just
Your average girl
I'd like to turn me up
And show the world
(Aw yeah)

'Cause some can talk the talk
This girl just wants to rock
I'm individual
I'm not like anyone

I can be glamorous
Just like you see in all the magazines
I can be cool as ice
Or anything I want to be

Who said
Who said I can't be Superman?
I say
I say that I know I can
Who said
Who said I won't be President?
I say
I say you ain't seen nothin' yet

(Oh yeah)
(Yeah)

Go on and make some noise
Every girl has a choice
To lead their own parade
I do it my way

(Ow!)

I can be soft and sweet
Or louder than the radio (radio)
I can be sophisticated
Or totally go (totally go)
Out of control

Who said
Who said I can't be Superman?
I say
I say that I know I can
Who said
Who said I'm not electrifying?
I say
I say

There's no holdin' back
Stayin' right on track
'Cause you control the game
So let them know your name
No limitations
On imagination
Imagining

(Yeah)

Who said
Who said I can't be worldwide?
I say
I say time is on my side

Who said
Who said I can't be ten feet tall?
I say
I say that I can have it all
Who said
Who said I can't be Superman?
I say
I say that I know I can
Who said
Who said I won't be President?
I say
I say you ain't seen nothin' yet
You ain't seen nothin' yet

(Whoa)
(Yeah)

Who said?

(Come on)

(Yeah)

(That's right!)
