

# Miley Cyrus, Who Said

I'm more than just  
Your average girl  
I'd like to turn me up  
And show the world  
(Aw yeah)

'Cause some can talk the talk  
This girl just wants to rock  
I'm individual  
I'm not like anyone

I can be glamorous  
Just like you see in all the magazines  
I can be cool as ice  
Or anything I want to be

Who said  
Who said I can't be Superman?  
I say  
I say that I know I can  
Who said  
Who said I won't be President?  
I say  
I say you ain't seen nothin' yet

(Oh yeah)  
(Yeah)

Go on and make some noise  
Every girl has a choice  
To lead their own parade  
I do it my way

(Ow!)

I can be soft and sweet  
Or louder than the radio (radio)  
I can be sophisticated  
Or totally go (totally go)  
Out of control

Who said  
Who said I can't be Superman?  
I say  
I say that I know I can  
Who said  
Who said I'm not electrifying?  
I say  
I say

There's no holdin' back  
Stayin' right on track  
'Cause you control the game  
So let them know your name  
No limitations  
On imagination  
Imagining

(Yeah)

Who said  
Who said I can't be worldwide?  
I say  
I say time is on my side

Who said  
Who said I can't be ten feet tall?  
I say  
I say that I can have it all  
Who said  
Who said I can't be Superman?  
I say  
I say that I know I can  
Who said  
Who said I won't be President?  
I say  
I say you ain't seen nothin' yet  
You ain't seen nothin' yet

(Whoa)  
(Yeah)

Who said?

(Come on)

(Yeah)

(That's right!)
