

# Milk Inc, Six o'clock in the morning (echo)

Sometimes I feel I've got to  
Run away (Run away)  
I've got to  
Get away (Get away)  
From the pain you drive into the heart of me  
The love we share  
Seems to go nowhere  
And I've lost my life  
For I toss and turn, I can't sleep at night  
Once I run to you (I run)  
Now I run from you (Now I run)  
This tainted love you've given  
I give you all a girl could give you  
Take my tears and that's not nearly... oh! (repeat x2)  
Touch me baby, tainted love (touch me baby, tainted love)(repeat)  
Now I know I've got to  
Run away (Run away)  
I've got to  
Get away (Get away)  
You really don't want any love from me  
To make things right  
You need some more to hold you tight  
And your thing is love is to pray  
But I'm sorry I don't breathe that way  
Once I run to you (I run)  
Now I run from you (Now I run)  
This tainted love you've given  
I give you all a girl could give you  
Take my tears and that's not nearly... oh! (repeat x2)  
Touch me baby, tainted love (touch me baby, tainted love)(repeat)  
Don't touch me please  
I cannot stand the way you tease  
I love you don't hug me so  
Now I'm gonna pack my things and go  
(repeat)
