

# Milky Chance, As It Was (Harry Styles Cover)

Holdin' me back  
Gravity's holdin' me back  
I want you to hold out the palm of your hand  
Why don't we leave it at that?  
Nothin' to say  
When everything gets in the way  
Seems you cannot be replaced  
And I'm the one who will stay, oh-oh-oh

In this world, it's just us  
You know it's not the same as it was  
In this world, it's just us  
You know it's not the same as it was  
As it was, as it was  
You know it's not the same

Answer the phone  
"Harry, you're no good alone  
Why are you sitting at home on the floor?  
What kind of pills are you on?"  
Ringin' the bell  
And nobody's coming to help  
Your daddy lives by himself  
He just wants to know that you're well, oh-oh-oh

In this world, it's just us  
You know it's not the same as it was  
In this world, it's just us  
You know it's not the same as it was  
As it was, as it was  
You know it's not the same

Go home, get ahead, light-speed internet  
I don't wanna talk about the way that it was  
Leave America, two kids follow her  
I don't wanna talk about who's doin' it first

(Hey)  
As it was  
You know it's not the same as it was  
As it was, as it was
