

# Milky Chance, Love Again

Paradise  
Not at all  
Paralysed  
For sure  
We're not lovers anymore  
Is it gonna be like that?  
Is there someone else you met?

You fell in love again yeah am I right?  
So I know you won't come home tonight  
I let you go  
I know that I'll be fine  
Maybe  
I just need some time  
Maybe  
I just need some time  
Maybe

Empty eyes  
Hold me tight  
For the night  
Make me cry  
Was it really all so bad?  
Is it better now instead?  
Is there someone else you met?

You fell in love again yeah am I right?  
So I know you won't come home tonight  
I let you go  
I know that I'll be fine  
Maybe  
I just need some time  
Maybe  
I just need some time  
Maybe
