Milky Chance, The Game

I am about to lose the allusion my heart pictures that I though that could fant colors I've used don't know I am getting back that I ain't gonna be the same and I know that I've messed up whit the chances I got

all I do is try to make it right all I do is try to make it right guess I'll do this all my life

mothing ever seems to be easy all I do is stand in the rain I don't really know how to get there just tell me about the rules of the game everybody says that I am dreaminf but I just tryna cope with the pain I donn't really care for the rumors just tell me about the rules of the game wanna play /2x but I don't know about the rules of the game
