Millencolin, Bullion

Twenty one, feeling down
I tell you nothing with a thousand words
and I weaker get with every step
I waste my time on compact disc's and staly fish
I can't remember the last time I did something
that made me feel all right for longer than a few hours
if I only had the strength to make some muffins
then I swear that I would share them with you now

Am I odd or am I not?
that's the question I spend time analyzing
I'm so soft but still I'm not
living up to what people want me to be
cause I'm busy with me, myself and I
can't be understood by someone I don't know to well
so I'm shutting out the whole world just to play Nintendo
I've got these new games but I'm afraid you can't join me

These last few years I've been struggling and I'm tired of keeping a low profile so now it's time to show that I'm alive

I'm gonna change my life change my plans change my Vans even start to dance now change my thoughts change my sox change my moves even change my pro fighter Q for you

No its not for you And change mine just for me, change mine just for me Bullion
