## Millencolin, Lozin' Must

When I am lozin' must in a conversation it makes me use my imagination start to think that they're after me cause I'm as shore as those monkeys hope the chat goes on and I feel smaller the guys in front of me they get taller when,when I open my mouth again to tell them something more they answer me with a hockeyscore

Must be strong, can't be wrong lozin' must, yeah your loozin' trust in yourself(x2)

Well, I have this girl and I make her crazy when I'm gone she's bored and lazy I get a kick from pushin' her but I'm not sure about how she feels about it my favorite hockeyteam are strugglin' it makes my stomach bubblin' bad their hard time really makes me sad we had some fucked up years now it's time to whipe away those tears (chourus) It's been a tough time for me this past year lots of questions who I am or what I wanna be I also found some answers the fog is gone I feel better every day and now the feeling is here to stay (chourus x2)
