

# Mimi Webb, Is It Possible

Late night conversations get me lonely  
And the stars up in the sky don't match your eyes  
My favorite kinda day is when it's raining  
'Cause you can't see the tears when I cry

I'll be waiting, never fading  
Search my life for you

So is it possible, is it possible?  
I could love someone like I loved you before  
It's impossible when you don't come home  
When the city lights call your name, there you go

And it's 5 AM, I'm dancing on my own  
Why can't you  
See that we were messed up from the start?  
So irresponsible, is it possible?

The thorn inside my heart cut from the roses  
And I fake my smile on when I play the clown  
We're reading from the same page and can't close it  
But I can't seem to say the words out loud

And I'll be waiting, never fading  
Search my life for you

So is it possible, is it possible?  
I could love someone like I loved you before  
It's impossible when you don't come home  
When the city lights call your name, there you go

And it's 5 AM, I'm dancing on my own  
Why can't you  
See that we were messed up from the start?  
So irresponsible, is it possible?

Is it possible?

And it's 5 AM, I'm dancing on my own  
Why can't you see that we were  
Messed up from the start?  
So irresponsible, is it possible?
