

Mindless Self Indulgence, Do Unto Others (Part II)

You did this to me

[x4]

And now I'm doing this unto you

I'm doing this unto you

[x4]

Do unto others as you would have them do unto yourself

[x4]

Unto yourself

[x3]

Everyday I ask why

You were epicked to be...

It could've been been me

It should've been me

Up on the cross

Doin' it unto you

I'm doing this unto you

[x4]

Do unto others as you would have them do unto yourself

[x4]

Unto yourself

[x4]

Mary and me were both fucked by God

[x4]

Fucked by God
