

Minelli, Memories

If you ask me, if I'm okay
I take distance, no words to say
Do I have to remedy
The Best remedy in Life, baby
And if you ask me about regrets
I see in the distance silhouettes
Of me and you trying to guess
What's the remedy in life

I want some memories with you
Uh, uh uh, uh uh
Uh, uh uh, uh uh
Uh, uh uh, uh uh
I want you to want me too
Uh, uh uh, uh uh
Uh, uh uh, uh uh
Uh uh

(I want some memories with you)
(Uh, uh uh, uh uh)
(Uh, uh uh, uh uh)
(Uh, uh uh, uh uh)
(I want you to want me too)
(Uh, uh uh, uh uh)
(Uh, uh uh, uh uh)
(Uh uh)

(I want some memories with you)
(I want some memories with you)

All we need in life is love
The best feeling ever known
That's the remedy I want
Everytime I feel alone

I want some memories with you
Uh, uh uh, uh uh
Uh, uh uh, uh uh
Uh, uh uh, uh uh
I want you to want me too
Uh, uh uh, uh uh
Uh, uh uh, uh uh
Uh uh

(I want some memories with you)
(Uh, uh uh, uh uh)
(Uh, uh uh, uh uh)
(Uh, uh uh, uh uh)
(I want you to want me too)
(Uh, uh uh, uh uh)
(Uh, uh uh, uh uh)
(Uh uh)

(I want some memories with you)
(I want some memories with you)
