

Minelli, Peligrosa

Ding, ding, I'm ready
Turn the lights low
Bottoms up, baby
Casamigos
Lips sweet like funfetti
Make your heart go

Boom, boom, come get it, yeah
You got one minute
To make my body move
Nothing makes me dizzy like you do
So I'mma, I'mma, I'mma

I'mma, I'mma light on fire
I'mma, I'mma go, go wilder
'Bout to get muy, muy peligrosa
Mixing emotions with mimosas
I'mma, I'mma go all nighter
Pop another bottle right up
'Bout to get muy, muy peligrosa
Mixing emotions with mimosas

Ring, ring, ring, pick up
Them shots calling
If we gon' link up
They better keep coming
Go hard like palinka
Baby, we go in

Boom, boom, come get it, yeah
You got one minute
To make my body move
Nothing makes me dizzy like you do
So I'mma, I'mma, I'mma

I'mma, I'mma light on fire
I'mma, I'mma go, go wilder
'Bout to get muy, muy peligrosa
Mixing emotions with mimosas
I'mma, I'mma go all nighter
Pop another bottle right up
'Bout to get muy, muy peligrosa
Mixing emotions with mimosas

I'mma, I'mma light on fire
If you wanna lose your mind
Come catch me on my sunny side up
I'mma, I'mma go all nighter
'Bout to get muy, muy peligrosa
Pe-pe-pe-pe-peligrosa

I'mma, I'mma light on fire
I'mma, I'mma go, go wilder
'Bout to get muy, muy peligrosa
Mixing emotions with mimosas
I'mma, I'mma go all nighter
Pop another bottle right up
'Bout to get muy, muy peligrosa
Mixing emotions with mimosas

'Bout to get muy, muy peligrosa
Mixing emotions with mimosas
