

Minerals, Last Time

Would you do this thing
Would you do it again

All these times around
All these times around

Well I can't believe
Well I can't relieve

We can hide in here
Why it doesn't change

I'm ok with that
I'm ok with what

Please don't try so hard
Stop crying just start

Everlasting peace
Is coming to us
But everlasting peace
Won't come to us

We are dead and we're alive
There is nothing we could hide
Take me to another glare
Don't worry up in the air

Last time
Last time
Last time
