

# Ministry, Watch Yourself

Watch yourself  
Someone's watching  
Watching you  
Big brother  
Will discover  
Just what you do

Someone's watching  
Someone's listening  
Watch yourself  
Someone's watching  
Someone's listening  
Watch yourself  
Someone wants information  
Watch yourself  
Someone wants your deportation  
Watch yourself

Just watch yourself  
There is no running away  
This is the U.S.A.  
There is no running away  
Just watch yourself

Someone's watching  
Someone's listening  
Watch yourself  
Someone's watching  
Someone's listening  
Watch yourself  
Someone wants interrogation  
Watch yourself  
Someone wants extermination  
Watch yourself

Just watch yourself  
There is no running away  
This is the world that we live in today  
There is no running away  
Just watch yourself

Someone's watching  
Someone's listening  
Watch yourself  
Someone's watching  
Someone's listening  
Watch yourself  
Someone's spying on the nation  
Watch yourself  
Someone wants annihilation  
Watch yourself

Just watch yourself  
There is no running away  
This is the U.S.A.  
There is no running away  
Just watch yourself

Just watch yourself  
There is no running away  
This is the world that we live in today  
There is no running away  
Just watch yourself
