## Minnie Riperton, Can You Feel What I'm Saying?

Two people, just meeting Barely touching each other Two spirits greeting Trying to carry it further You are one and I am another We should be one inside each other You can see inside me Will you come inside me? Do you wanna ride inside my love? You can see inside me Will you come inside me? Do you wanna ride inside my love? Two strangers, not strangers only lacking the knowing So willing, feeling, infinite growing While we're here the whole world is turning We should be one Fulfilling our yearning You can see inside me Will you come inside me? Do you wanna ride inside my love? You can see inside me Will you come inside me? Do you wanna ride inside my love?
