## Mirami, For You

For You For You

For You For You For You

It was a hot and special night You know We were dancing on the beach Till dawn Such a crazy summer dance I felt love is ever since I felt love is ever since Oh no

I don't wanna be alone no more Can't you feel my love is pure for sure Baby, give us a just a chance Let's just have a true romance Let's just have a true romance Oh yeah

Baby, your moves they drive me crazy I wanna be your lady Let me be the one for you

Baby, believe me there's no maybe I wanna be your lady Let me be the one for you
