

# Miss 600, Dance With You

Everybody tell me that I should be busy working  
But I wanna dance with you  
Everybody tell me that nothing melting \_\_\_  
But I wanna dance with you  
And I don't care about \_\_\_ of you  
I only wanna dance with you

Shut-up  
And try to focus  
Shut-up  
I want to roll I circle  
Tell me I wanna dance with you  
Please, \_\_\_  
I wanna dance with you  
I don't care about this negative view  
I only wanna dance with you

Spin in right  
Get a word of sound  
And it feel so good  
Like you said it would  
And I don't care about \_\_\_ of you  
I only wanna dance with you

Don't turn back to the trouble  
I only wanna dance with you
