

# Missy Elliott, 4 My People (Basement Jaxx Vocal

yall get that  
yall get that  
yall get that  
y'all im on fire  
get that  
get that y'all im on fire  
the parties jumping,  
get that  
get it right  
y'all im on fire  
yo, this is for my mother fucking clubs, y'all feel me  
people, gangsters an hips, and people smokin that lethal reefa  
smokin the club, speakers are hissin, bassin  
we dont, need anythin, droppin, leave us, sweat till i catch it  
people, call me the fearless diva, y'all im on fire  
people, go in and drink up, get in the club, get fucked up,  
see me, ya got it, look up, someone to touch it, what about, show me some love, strip off your cloth  
the parties jumpin,  
i see something fine  
boy i wanna kiss you,  
but im just too shy  
let me dance with you,  
let me wear you out  
cos tha grassa always due,  
lets go exit out  
the musics banging, way down in my soul  
when u dance behind me  
i lose all control  
let my cry my hips  
let me move my waste  
let the music come home  
and take my breath away  
this is for my people,  
my (what) my party people,  
this is for my people,  
my mother fucking people, come on  
get down,  
get get get on down  
come on,  
get down,  
get get get on down  
this is for my people,  
my (what) my party people,  
this is for my people,  
my ecstasy'ing people, come on  
get down,  
get get get on down  
come on,  
get down,  
get get get on down  
i'm at the bar now  
and im buying drinks  
and i got this feeling  
and its all over me  
i wanna dance with you  
and lick your face  
let me on the dance floor  
this face is ecstasy  
the body's right now  
and i'm about to score  
mr dj can you, play this joint once more  
cos i see the man i want,  
i want it right away  
i lick him right in his face,

and say dance with me  
this is for my people,  
my (what) my party people,  
this is for my people,  
my mother fucking people, come on  
get down,  
get get get on down  
come on,  
get down,  
get get get on down  
this is for my people,  
my (what) my party people,  
this is for my people,  
my ecstasy'ing people, come on  
get down,  
get get get on down  
come on,  
get down,  
get get get on down  
freak that (x12)  
come here baby  
grab me from the back  
baby you the mack  
and you know that  
gonna another track  
skip that, flip that, bring the beat back  
oh freak that  
come here baby  
grab me from the back  
baby you the mack  
and you know that  
gonna another track  
skip that, flip that, bring the beat back  
cant stand,  
when a nigger fuckin up my plans  
all night lickin when we tryin to dance  
drunk and his breath stinks  
gettin freaky with his hands  
cocky with his mouth  
like he got a friend  
cant stand  
wanna bitch, y'all on my side  
i don't even know and she all up in my life  
givin me the side eye  
like she wanna fly ie  
feel me over bitch, better get it right  
cant stand  
when a nigger fucking up the song  
im just tryin to shake my ass all night long  
cuttin up the same shit all night long  
i forgot that all my titties gone  
cant stand,  
when it aint jumpin like i want  
ya'll just tryin to stop my fun,  
take away my blunt  
i don't give a fuck  
aint gonna take away my fun  
seeing when this shit is over, we gonna run  
this is for my people,  
my (what) my party people,  
this is for my people,  
my mother fucking people, come on  
get down,  
get get get on down  
come on,

get down,  
get get get on down  
this is for my people,  
my (what) my party people,  
this is for my people,  
my ecstasy'ing people, come on  
get down,  
get get get on down  
come on,  
get down,  
get get get on down  
yah, get it right  
get that  
y'all im on fire  
get that  
get that  
the parties jumpin  
get that  
y'all im on fire  
get that  
the parties jumpin  
get that  
get that  
get it right  
get that  
get that
