(feat. Mary J. Blige)

Eh yo Mary, i need you to vibe wit me on this one, uh  
Uh

[Missy Elliot]

Check it

As i grab my pad and pen and begin to talk from within  
Oh God im hot as the water like a preacher whos sinned  
Im only human but

The world has put me on a platform since the day i was born  
To only wait for my downfall but like a brick wall im too hard to brake  
Ok i do make mistakes but im the realest from the fake

Thats why im the hardest to hate

Aaliyah baby girl i've learned to love those while ther still awake

Sleep Sleep

And prepare a place for those who are good in the projects and hood

Give to those who are misunderstood

I know like Lisa, Pac and Biggie and Jay and Pun are still No1

There will be more of us to come

I am a leader a teacher i gotta, like a single parent provider

Put in back those hip hop dividers

Like a preist with a back slider

I've sinned ut i win

And anyone we've lost in life from 9-11

We'll be sure to see again

[Mary J. Blige]

What you hear is not a test, im rockin to the beat [x2]

See me and my crew, and my friends were gonna try to move our feet

See i am Mary Blige and i'll like to say hello

To the black to the white, the red and the brown, the purple and yellow

First you gotta.....first you gotta
