

# Mitski, Francis Forever

I don't know what to do without you  
I don't know where to put my hands  
I've been trying to lay my head down  
But I'm writing this at 3 AM

I don't need the world to see  
That I've been the best I can be, but  
I don't think I could stand to be  
Where you don't see me

On sunny days, I go out walking  
I end up on a tree-lined street  
I look up at the gaps of sunlight  
I miss you more than anything

I don't need the world to see  
That I've been the best I can be, but  
I don't think I could stand to be  
Where you don't see me

And autumn comes when you're not yet done  
With the summer passing by, but  
I don't think I could stand to be  
Where you don't see me
