

# MØ, Kindness

I'm in love with your kindness  
in love with the mystery  
you and I we were meant to be  
it's algorithm, baby

If I'm lost in the darkness  
I'm sure that you would come search for me  
I'm in love with your kindness  
it's algorithm, algorithm, algorithm, baby

I hear the whole world talk  
But i am stuck on my keabord  
I forget how to walk away

And now my boyfriend's gone  
So is my luck and my toys  
I know i gotta stay strong  
gotta stay strong

but when I see you  
I come back to life  
lying in your hands baby  
victoryy is mine  
when you grab me  
hands to the sky  
carry me through the room

I'm in love with your kindness  
in love with the mystery  
you and I we were meant to be  
it's algorithm, baby

If I'm lost in the darkness  
I'm sure that you would come search for me  
I'm in love with your kindness  
it's algorithm, algorithm, algorithm, baby
