

# Model Photographer, To Hesitate

Maybe we were right to hesitate,  
'Cause look what happens when we don't.  
We dive right in,  
Instead of dipping our toes in the pool.  
Now I feel like a fool,  
For letting my heart lead me into the fire.

Maybe it's better to love and lose  
Then to have a heart that's left in one piece  
Yeah, that's left in one piece.

So maybe we were right to hesitate  
'Cause look what happens when we don't.  
We dive right in,  
Instead of dipping our toes in the pool.  
Now I feel like a fool,  
For letting my heart lead me into the fire.

Maybe it's better to love and lose.  
Maybe it's cool to be heartbroken.  
Yeah, to be heartbroken.

Well I don't wanna be (heartbroken).  
Well I don't wanna be (heartbroken).  
But I don't wanna be.  
But I don't wanna be.

But I don't wanna be.
