Moloko, The Time Is Now

You're my last breathe

You're a breathe of fresh air to me

Hi, I'm empty

So tell me you care for me

You're the first thing

And the last thing on my mind

In your arms I feel

Sunshine

On a promise

A day dream yet to come

Time is upon us

Oh but the night is young

Flowers blossom

In the winter time

In your arms I feel

Sunshine

Give up yourself unto the moment

The time is now

Give up yourself unto the moment

Let's make this moment last

You may find yourself

Out on a limb for me

Could you expect it as

A part of your destiny

I give all Í have

But it's not enough

And my patience is shot

So I'm calling your bluff

Give up yourself unto the moment

The time is now

Give up yourself unto the moment

Let's make this moment last

Give up yourself unto the moment

The time is now

Give up yourself unto the moment

Let's make this moment ... last

And we gave it time

All eyes are on the clock

But time takes too much time

Please make the waiting stop

And the atmosphere is charged.

In you I trust.

And I feel no fear as I

Do as I must.

Give up yourself unto the moment

The time is now

Give up yourself unto the moment

Let's make this moment last.

Give up yourself unto the moment

The time is now

Give up yourself unto the moment

Let's make this moment last

Tempted by fear

And I won't hesitate

The time is now

And I can't wait

I've been empty too long

The time is now

The tender night has gone

And the time has gone

Let's make this moment last

And the night is young

The time is now.

Let's make this moment last.

Give up yourself unto the moment The time is now Give up yourself unto the moment Let's make this moment ... last.
