

# Monday Morning, More To Give

If I gain the world, do I have any more to give than all of me

When my all is nothing more than this

We're all the same, and in my Father's eyes He sees

Our every we bring to him

CHORUS

What have I got to lose

What have I got to give

When am I gonna choose

How I'm gonna live

When am I going to see

Without you I'm nothing

You're everything

And if I give more of me than I have to give

You're so much more, much more in me than I'm on my own

So make me pure, make me sure that all I have, all I give is all for You

I give You all of me (3x)
