

MonDJ, Sex (With my ex)

What's wrong with me tonight,
I'm overheatin' and I feel I could die,
I wouldn't mind having you by my side,
my sex drive is way too high!

I'm not gonna buy you wine and pearls
And bird I don't wanna hear your chit-chat
I'm sick of youporn and meetin' new girls
I guess I'll try not to repeat that (C'Mon girl)

(ring)
