

# Moneen, What The Weatherman Forgot To Tell You

she said you think nothing's wrong, well there is

I'm scared, I'm not really scared, well i am.

What's mine, what's mine is now yours, I promise.

I can't live this live now.

I don't need it, if i can't see it.

I don't need it, don't want to believe it.

I can't, i will not believe what they say.

They said all we have is two and one half years before all we have will die.

I can't, no i will not live this life now.

Trust your own love.

No, believe what you said, believe what you want to.
