

# Monika Urbanowicz, Go ahead

Today has to be better than  
Yesterday, than yesterday  
I always know and believe in it,  
Believe in it, believe in it.  
Bridge: More colorful, colorful, colorful,  
Becomes the world when you believe in it.  
Colorful, colorful, colorful is world.

Believe in dreams fulfill them,  
And then it will be quite okay.  
If you also want to achieve your goal  
Don't wait for it, and try to go! –  
Go ahead, go ahead.  
Only try to achieve the goal,  
Go ahead, go ahead!

Life is too short to worry about,  
To worry about, to worry about  
the problems that surround us,  
that surround, that surround  
Bridge: But instead, but instead, but instead  
Worrying about, just believe again  
Go ahead, go ahead, and go...

Believe in dreams fulfill them,  
And then it will be quite okay.  
If you also want to achieve your goal  
Don't wait for it, and try to go! –  
Go ahead, go ahead.  
Only try to achieve the goal,  
Go ahead, go ahead!
