## Monster Magnet, Slut Machine

Sing that song a gotta gotta you get Along baby Shove that tongue a straight a to The back of my head You got tongué a honey honey Use that tongue baby Climb on top and rock a rolla Me 'till in dead Girl I'm melting away and your fine and grown Hey now you whisper your dirt And I'll do you strong Sing that song a firecracker Sing that song a baby You got smoke that drives A monkey out of his head Dig yourself a kinda like a I do yourself baby The king of dreams a gotta Have queen of the bed Babe I'm melting away And your fine and grown Hey now you scream out your Dirt until I explode Slut machine to keep my lovin strong Slut machine to keep my lovin' strong
