

# Monster Magnet, Wall Of Fire

Well I'm back  
I got a cock made out of platinum  
I got a bullet coming out of the sky  
I got the world's last piece of chocolate  
I got the full moon in my eye  
I gotta make that soul adoption  
Baby, in the hands of fools  
You gotta love that main attraction  
Because I ain't getting outta the pool

Here we go  
I made it just the way you like it  
I'll shake your hand for free  
Why don't you see when I can see you  
Because I really like this game  
You gotta love that sole adoption  
Baby, in the hands of fools  
You gotta be that main attraction  
Because I ain't getting outta the pool

Baby, I kinda like you crazy  
Like climbing up the Wall of Fire  
I know you wouldn't hurt me  
Yeah, yeah, yeah  
Baby, I like it when you're crazy  
Like climbing up the Wall of Fire  
I like it when you hurt me  
Yeah, yeah, yeah

Tell me when my ship comes in, I'm underground  
The girl lies in the sun until she's golden-brown  
I just got a mission that I can't turn down  
Killing Nazi zombies in a German town

Well I'm back  
I got a cock made out of platinum  
I got a bullet coming out of the sky  
I got the world's last piece of chocolate  
I got the full moon in my eye  
I gotta make that soul adoption  
Baby, in the hands of fools  
You gotta love that main attraction  
Because I ain't getting outta the pool

Baby, I kinda like you crazy  
Like climbing up the Wall of Fire  
I know you wouldn't hurt me  
Yeah, yeah, yeah  
Baby, I like it when you're crazy  
Like climbing up the Wall of Fire  
I like it when you hurt me  
Yeah, yeah, yeah
