

Monta, Kiss Goodnight

I hope someday you'll have the strength I lack
Walk through every door, high headed back to back
I can hear the light rasp of your breath
How am I supposed to talk to you dear ghost

You're all I ever wanted
Let the demons disappear
You're all I ever wanted
There's no reason for you to fear
You're all I ever wanted
You're all I ever wanted
You're all I ever wanted
Kiss goodnight

By the grace of every saint you'll see
To be driven is a curse sometimes blessing but it hurts
I suppose this will bring us together
honestly I know nothings lasts forever
but I try to forget before I reconsider

You're all I ever wanted
Let the demons disappear
You're all I ever wanted
There's no reason for you to fear
You're all I ever wanted
You're all I ever wanted
You're all I ever wanted
Kiss goodnight
