

Montgomery Gentry, It's All Good

Lazy summer sundown
front porch of this old house
lighting bugs in a mason jar
there's a four-lane coming through
they break down at the end of june
the county's takin half my yard

It don't matter too much anyway
In the scheme of things
I still get more than I should

It's all good
It's alright
Lord it's always a good day
When you're glad to be alive
Everything I need
Ain't to hard to find
So I don't waste my time complaining
'Cause I don't see how I could
It's all good

Another bill in the box today
new boat's gonna have to wait
my pick-up truck just broke down
grass needs mowin'
I hear the plan's closin'
but it won't be the end of this town
folks 'round here see things in a different way
and that'll never change
there's one thing thats understood

It's all good
It's alright
Lord it's always a good day
When you're glad to be alive
Everything I need
Ain't to hard to find
So I don't waste my time complaining
'Cause I don't see how I could
It's all good

It's all good
It's alright
Lord it's always a good day
When you're glad to be alive
Everything I need
Ain't to hard to find
So I don't waste my time complaining
'Cause I don't see how I could
It's all good
oh
I don't waste my time complaining
It's all good
