

# MOONLIGHT HAZE, Ad Astra

If you are feeling down and life is a mess  
If anxiety rules and you're full of distress  
Calm yourself down, stay one minute alone  
Not all those who wander are lost  
Don't give up!  
Run away, that dude right there  
Is trying to steal your time  
And you're right, you do not have to stop  
But just pass by, fake a smile  
Ignore him telling everything's all right, say goodbye  
And go back to what really matters in your complicated life  
Not a straight road but a narrow path  
But you can face your demons,  
Go and suffocate their wrath!  
A new life today begins  
(Never give up! Never give in!)  
So it's time to spread your wings  
(Never give up! Never give in!)  
Doesn't matter where you've been  
(Never give up! Never give in!)  
Suddenly burst on the scene  
The scene!  
Don't be blind  
Just understand they try to make you cry  
You can't die  
For words that are so meaningless, futile  
Step aside  
Don't trust their pathetic alibi  
Realize, that without them  
You'll be the only and the one able to fly  
Not a straight road but a narrow path  
But you can face your demons,  
Go and suffocate their wrath!  
A new life today begins  
(Never give up! Never give in!)  
So it's time to spread your wings  
(Never give up! Never give in!)  
Doesn't matter where you've been  
(Never give up! Never give in!)  
Suddenly burst on the scene  
The scene!  
A new life today begins  
(Never give up! Never give in!)  
So it's time to spread your wings  
(Never give up! Never give in!)  
Doesn't matter where you've been  
(Never give up! Never give in!)  
Suddenly burst on the scene  
The scene!  
A new life today begins  
(Never give up! Never give in!)  
So it's time to spread your wings  
(Never give up! Never give in!)  
Doesn't matter where you've been  
(Never give up! Never give in!)  
(Never give up! Never give in!)  
(Never give up! Never give in!)
