Sometimes when I hold my head in shame  
I forget that I'm the one to blame  
If I fall aimless on an endless journey  
I'm beat up, broken, busted, angry  
I can't explain, but it's true

Catching up's getting hard to do  
Tell me now, tell me now what's got into you  
Whispering softly now I'm screaming  
My head starts to hurt, my heart's in pain  
Tell me now, tell me now when will you explain

Just how I feel, but words get in my way  
If I fall aimless on an endless journey  
Will I be strapped, held down unfriendly?  
I can't say why, but I try
