Morningwood, Nu rock

Hey little pretty with the tattooed skin,
The past is repeatin' yeah it's gonna begin
I said hey little pretty with the tattooed skin,
The past is repeatin' yeah it's gonna begin
All you little kids that love the rock n' roll,
You sure got the style but you ain't got the soul
You sure got the style but you ain't got the soul
You sure got the style but you ain't got the soul
Come on get over it
Come on get into it
Come on get into it

Hey little baby with your studded belt,

When you hear the music right it's gonna make you melt

I said all you little kids that love the rock n' roll, You sure got the style but you ain't got the soul

Come on get over it Come on get into it Come on get over it

Come on get into it Come on get over it

Come on get into it

It starts right now Well let's go

1-2-3

Come on let's go

It's a rock n roll revolution It's a rock n roll evolution

Come on let's go

Sweet little honey with your hair cut right,

When you get the sonic beat you're gonna see the light

I said all you little kids that love the rock n' roll, You sure got the style but you ain't got the soul

All you little kids that love the rock n' roll,

You sure got the style but you ain't got the soul

All you little kids that love the rock n' roll,

You sure got the style but you ain't got the soul

Come on get over it Come on get into it

Come on get over it

Come on get into it

Come on get over it

Come on get into it

It starts right now
