

# Morrissey, Black Eyed Susan

Black-eyed Susan  
You make us nervous  
Because we're very aware that you do not care

Oh, Black-eyed Susan  
What don't you believe in ?  
&quot;No is always easier than Yes&quot;  
Whoo !

Black-eyed Susan  
You must insist :  
You are a born-again atheist, oh

Oh, heavy-rings on  
Bitten fingers  
Black-eyed Susan sometimes  
Shakes to break  
So, watch it

Oh ...  
Black-eyed Susan  
Rest and do nothing  
'Cause it's the only thing that you do quite well  
Aah ...

Black-eyed Susan  
Rest and do nothing  
'Cause it's the only thing that you do quite well  
Aah ...

Black-eyed Susan  
Rest and do nothing  
'Cause it's the only thing that you do quite well  
Aah ...

Black-eyed Susan  
Please remember  
We were the first  
We were the first  
Oh ...
