

Morrissey, I Know It's Gonna Happen Someday

My love, wherever you are
Whatever you are
Don't lose faith
I know it's gonna happen someday
To you

Please wait ...
Please wait ...
Oh ...
Wait ...
Don't lose faith

You say that the day just never arrives
And it's never seemed so far away
Still, I know it's gonna happen someday
To you

Please wait ...
Don't lose faith
