Morrissey, I'll Never Be Anybody's Hero Now

Warm lights from the grand houses blind me Haves cannot stand Have-nots And my love is under the ground My one true love is under the ground And I'll never be

I'll never be

I'll never be anybody's hero now

I'll never be

I'll never be

I'll never be anybody's hero now

They who should love me

Walk right through me

I am a ghost

And as far as I know I haven't even died

And my love is under the ground

My one true love is under the ground

And I'll never be

I'll never be

I'll never be anybody's hero now

I'll never be

I'll never be

I'll never be anybody's hero now

(See as I... See as I... See as I...)

I'll never be

I'll never be

I'll never be anybody's lover now

I'll never be

I'll never be

I'll never be anybody's lover now

Things I've heard and I've seen

And I've felt and I've been

Tell me I'll never be anybody's lover now

It begins in the heart

And it hurts when it's true

It only hurts because it's true
