

# Morrissey, Please Help The Cause Against Loneliness

Please help the cause against loneliness  
Would you like to note my home address ?  
Please help the cause against loneliness  
Would you kindly note my inside leg ?

Oh, I don't mind what time you come round  
If it's the daytime then I might be in bed - oh  
I'm so very young  
I am so really, really young ... oh, oh

Please help the cause against loneliness  
Would you like a list of my dislikes ?  
There are people with problems  
I know this ... I've know this for years

There are paupers and peers  
Who have problems, oh

I don't mind what time you come round  
If it's the weekend then I have to be dead, oh  
I'm so very young  
I'm so really, really young ... oh, oh  
I'm so young - really, really (yeah yeah yeah)  
I am so young  
I am so young  
I am so really, really young  
I am so young  
So young
