Morrissey, Sing Your Life

Sing your life
Any fool can think of words that rhyme
Many others do
Why don't you ?
Do you want to ?
Oh...
Sing your life
Walk right up to the microphone
And name
All the things you love
All the things that you loathe

Oh, sing your life
The things that you love
And the things you loathe
Oh, sing your life
Oh, sing your life

La, la-la, la-la, sing your life La, la-la, la-la, sing your life

Others sang your life But now is a chance to shine And have the pleasure of Saying what you mean Have the pleasure of Meaning what you sing Oh, make no mistake my friend All of this will end So sing it now (sing your life) All the things you love (sing your life) All the things you loathe Oh, sing your life The things that you love And the things you loathe (sing your life) Oh, sing oh... Oh, sing oh...

La, la-la, la-la, sing your life La, la-la, la-la, sing your life

(Sing your life)

Don't leave it all unsaid Somewhere in the wasteland of your head, oh Head, oh, head, oh, head, oh And make no mistake, my friend Your pointless life will end But before you go Can you look at the truth? You have a lovely singing voice A lovely singing voice And all of those Who sing on-key They stole the notion From you and me So, sing your life (sing your life) Sing your life (sing your life) Oh, sing your oh... Oh, sing your Sing your life Sing your life Sing your life Oh, sing your oh... (Sing your life)

Sing your life (Sing your life)
