

# Morrissey, Spent the Day in Bed

I spent the day in bed  
very happy i did, yes  
I spent the day in bed  
as the workers stay enslaved  
I spent the day in bed  
I'm not my type but  
I love my bed  
and I recommended that you

stop watching the news  
because the news  
contrives to frightening you  
ta make you  
small and alone  
ta make you  
that your mind  
isn't your own

I spent the day in bed  
it's a consolation  
when all my dreams  
are perfectly legal  
in sheets for which I paid  
I am now laid  
and I recommended  
to all my friends that they

stop watching the news  
because the news  
contrives to frightening you  
ta make you  
small and alone  
ta make you  
that your mind  
isn't your own

time do as I wish  
time do as I wish  
time do as I wish  
time do as I wish  
time do as I wish  
time do as I wish  
time do as I wish  
do as I wish

I spent the day in bed  
you can pleasure yourself. but  
I spent the day in bed  
pillows like pillars  
life ends in death  
so there's nothing wrong  
with being good to yourself  
be good to yourself once!
