

# Morrissey, Striptease With A Difference

This re-shuffled pack brings back the sickness of luck,  
Because the ace in my hand is such a shock  
Exchanging queen for your two while you're out of the room,  
Have a shifty over your shoulder (well it's a shady game)  
And I want to lose  
Oh, please let me lose  
Oh, please let me lose  
It's nothing to you

It's nothing to you  
I'm cutting this queen  
(well, this six is chewed)  
You're all un-disguised  
(I'm stuck on shoes)  
So, have you ever met a bad winner ?  
"well, how do you do..."
