

Morrissey, The Bullfighter Dies

Mad in Madrid
Ill in Seville
Lonely in Barcelona
Then someone tells you and you cheer

Hooray, hooray
The bullfighter dies
Hooray, hooray
The bullfighter dies
And nobody cries
Nobody cries
Because we all want the bull to survive

Gaga in Malaga
No mercy in Murcia
Mental in Valencia
Then someone tells you and you cheer

Hooray, hooray
The bullfighter dies
Hooray, hooray
The bullfighter dies
And nobody cries
Nobody cries
Because we all want the bull to survive
